## Conference theme God is Love

### Deus Caritas Est

"God is love and he who abides in love abides in God" (1 Jn.4:16). These words of the Encyclical express the core of the Christian Faith. In a world where God's name can be used with disrespect, let alone blasphemously and even at times used as a motive for revenge, hatred and violence, this Christian reminder that God is love, is very appropriate and uplifting.

### Exposition of the Blessed Sacrament

There will be Exposition during the course of the Conference. You will have the opportunity to join the Adoration Roster

### Confessions

There will be opportunities for Confession at times to be announced on the day.

### Stalls

As at previous Conferences there will be various stalls for you to visit - including tables of an extensive book display by Freedom Publishing plus Catholic magazines and literature from other sources.

### EWTN

Proportionally more Queenslanders are installing Mother Angelica's Global Catholic TV network than any other area. Now available with a small dish at greatly reduced cost - 24 hours a day, 7 days a week.
